INDUSTRIAL PRINT

2024

In addition to our issue feature topics, we cover the gamut of digital products and services in several areas:

3D | DIRECT TO OBJECT | CORRUGATED

Each issue of *Industrial Print* magazine in 2024 focuses on these areas to give our readers the most up-to-date information on every aspect of their business. *Industrial Print* magazine will publish six issues in 2024. Each includes features as well as columns like Spotlight, real-life use cases of digital technologies; and AM, additive manufacturing focus.
